A MESSAGE FROM OUR GREEN TEAM

BOOGIE is committed to reducing our environmental footprint as far as possible - help reduce in 3 steps!

SEGREGATE: Please keep your recycling separate. At camp, put empty recyclables in the white bags - just plastic, cardboard & cans.

CONTAIN: Maintain awareness that your camp is an outside space. Be vigilant with keeping your waste contained so it doesn't become litter.

DISPOSAL: Don't let your efforts go to waste, on Monday dispose of your waste properly. Take your rubbish with you and deposit only your recycling at the collection points.

Don't leave your clothes, broken tents, chairs and other camp gear in the paddock – take them with you.
